REPLY TO BOARD OF APPEALS DECISION OF MARCH 28, 2007

This is a reply to a decision handed down by the Board of Patent Appeals and Interferences on March 28, 2007, in this application. In the decision, the Board reversed all prior rejections but entered a new rejection. Applicant requests the reopening of prosecution and asks that the claim amendments and remarks listed below be entered into this application. Applicant further asks the Office to reconsider this applicant in light of the amendments and remarks.

A Listing of Amended Claims begins on page 2 of this reply.

Remarks/Arguments begin on page 8 of this reply.
